

The perfect location for weddings & private events
Exclusive Destination Wedding

Our Resort

The Cappuccina Country Resort combines the convenience and comfort of a modern resort born in 2004 with the elegance and uniqueness of an ancient Tower house from the early 1800s, the original nucleus of the estate

The Tower house also known as Villa Cappuccina is composed of 7 rooms & suite Tuscan style with a panoramic terrace of over 1000 square meters. The Villa also offers a dominant view on the village of San Gimignano, a UNESCO World Heritage Site.

Villa Cappuccina “Exclusive Use” is the solution that guarantees total privacy and independent spaces, ideal for small groups, weddings, or corporate incentive events seeking the intimacy of a private villa without giving up resort services.

Wrapped almost in a tender embrace, the resort winds all around with its 59 rooms, wellness center, gourmet restaurant and panoramic swimming pool.

The location is strategic because it is equidistant from Siena and Florence and a few km far from the village of San Gimignano, and Volterra
